Kelsey Waldon MUSIC

FRIDAY 29, 3TEN ACL LIVE

Fresh off joining Robert Earl Keen for a sold-out, stacked flood relief benefit in New Braunfels, Kelsey Waldon will head to Austin for a show at the much more intimate 3ten. Waldon has notched seven full-length albums in just over a decade, three of them on John Prine's Oh Boy Records, which she signed to after a personal invitation by the man himself onstage at the Grand Ole Opry. With her band the Muleskinners, Waldon brings life to introspective, confessional songwriting through careful study of country folkways. – ABBY JOHNSTON
